

What is Bludfest like?

The festival will take place at Milton Keynes Bowl.

There will be crowds.

Bludfest has lots of different things to see - including bands and artists, an exhibition, a funfair, and more.

There will be some bright and flashing lights.

There will be some loud noises.
Bring ear plugs to protect your hearing.

The festival is outside, so prepare for bad weather. Bring a waterproof coat and trousers.

There may be hot weather, so prepare with sunscreen, a hat and a water bottle.

There will be free water points to fill up your water bottle.

If you need help, you can ask one of our festival stewards. They'll be wearing bright coloured jackets.

The main stage area is in a grass bowl, so some areas may not be suited for wheelchairs. The rest of the site is on tarmac, concrete, gravel or trackway.

Toilets and accessible toilets will be marked on the Blufest site map.

There might be some uneven ground in places.

We have put up signs to help you find everything.

Download your ticket in advance or print your ticket off for a quicker entry.

Accessibility Information

General

If you have questions about accessibility, you can contact us at accessibility@blufest.org.

The DAP works in the same way as the Access Card, but is digital. You can only use the DAP at Blufest. It will last for 3 years. You can still update to the full Access Card if you want.

For help and support with this, please visit the Access Card Support Page by clicking here: <https://knowledge.accesscard.online/>
